

Look At You Now

Katie Herzig

Ooh ooh ooh ooh

Hmm Mmm Hmm

Oh ooh ooh ooh

Can't get out, can't get out, can't get out So Beautiful, So Elegant

So lovely, oh so lovely

So dignified, so hard to find

So rare, so fine, so chic

Oh you're still the same, girl you're still the same You've got a 1st Class ticket to the top

And everybody's talking how they watching how you play

You're a world-class vision; you're a fine young woman

Lookin' lovely sippin' on your pink champagne

Well look at you now, sittin' on top of the world [top of the world, top of the world] You're so bright, you're so
free, you're so light, you're so sweet

So rare, so fine, so chic

Oh you're still the same, girl you're still the same You've got a 1st Class ticket to the top

And everybody's talking how they watching how you play

You're a world-class vision; you're a fine young woman

Lookin' lovely sippin' on your pink champagne

(repeat) Hmm Mmm Hmm

Girl, you're still the same, girl you're still the same

Hmm Mmm Hmm

Girl you're still the same, girl you're still the same Hmm Mmm Hmm
