

# Grow Up

## Simple Plan

This is who I am and this is what I like  
GC, Sum, Blink and MxPx is rocking in my room  
If you're looking for me I'll be at the show  
I can never find a better place to go  
Until the day I die, I promise I won't change  
So you better give up I don't want to be told to grow up  
And I don't want to change  
I just want to have fun  
I don't want to be told to grow up  
And I don't want to change  
So you better give up  
'Cause I'm not going to change  
I don't want to grow up I like to stay up and spend hours on the phone  
Hanging out with all my friends and never being at home  
I'm impolite and I make fun of everyone  
I'm immature but I will stay this way forever  
Until the day I die, I promise I won't change  
So you better give up I don't want to be told to grow up  
And I don't want to change  
I just want to have fun  
I don't want to be told to grow up  
And I don't want to change  
So you better give up  
'Cause I'm not going to change  
I don't want to grow up I don't want to be told to grow up (grow up, grow up)  
I don't want to be told to grow up (grow up, grow up)  
I don't want to be told to grow up  
And I don't want to change  
I just want to have fun  
I don't want to be told to grow up  
And I don't want to change  
So you better give up I don't want to be told to grow up  
And I don't want to change  
I just want to have fun  
I don't want to be told to grow up  
And I don't want to change  
So you better give up  
'Cause I'm not going to change  
I don't want to grow up 'Cause I'm not going to change

I don't want to grow up
