You're My Man

Lynn Anderson

For once in my life, I know the meaning of happiness
And what it means to have a dream come true
'Cause every day I wake up singing livin' on the sunshine love is bringing
And it's wonderful knowin' that I owe it all to youAt last I've got a reason to be a living
I'm at the end of the rainbow and the gold is in my hands
Your love is so sweet, I can't refuse it, heaven help me if I ever lose it
'Cause my whole world's just knowing you're my manI don't understand you but God knows, I love you, you're my man
I feel so safe when I'm in your arms, 'cause you're all man
You're heaven on earth and so dependable
Together we're a team that's just unbendable
I want the whole wide world to know you're my manAt last I've got a reason to be a living
Oh, my whole world's just knowing you're my man, my man, my man
