For All Time

Jill Barber

For all time
We said we'd be
Lovers for all time
And eternityWords we try to keep
Then leave behind
When we can't find the thought
We thought we'd be lovers for all timeFor all time
I heard you say
We'd be friends forever
Not less a dayAnd we swore it in
Our blood
But it turned to mud
And now we call it child's playFor all time
I thought I'd be
The baby
In my familyBut I know now
They can't possibly
Take care of me
For all timeFor all time
I was sure
That you would be mine
Forever moreBut foolish me
Fallin' for tricks
I've seen before
I thought we'd be lovers for all timeSo if not
For all time
That I can tempt you
With my charmsThen baby
In the meantime
I will hold you
In my arms
