Lay Your Hands

Night Beds

Headed out west
Headed out west
Headed out west
Headed out westLeave me where you found me
Leave me where you found me
Leave me where you found me
Leave me where you found meHeaded out west
Headed out west
Holding your naked body
But [??????]x2
Nothing without my love will do
Nothing without my love for you, babe
Nothing without my love will do
Nothing without my love for you, babe
Nothing without my love will do
Nothing without my love for you, babe
Nothing without my love will do
Nothing without my love for you, babe
Nothing without my love will do
Nothing without my love for you, babe
Nothing without my love will do
Nothing without my love for you, babe
Nothing without my love will do
Nothing without my love for you, babe
Nothing without my love will do
Nothing without my love for you, babe
Nothing without my love for you
Nothing without my love will do
Nothing without my love for you
Nothing without my love will do
Nothing without my love for you
Nothing without my love will do
