

Fix the Broken (feat. Nicole McKenna)

Masoud

Sometimes
It gets to be too much
And I
Feel I'm being crushed But if I really think about it
It's okay, I can allow it this one time
One time Sometimes
I'd really like to close
My eyes
But then I wouldn't see the road So I pause and keep them open
Try to look past all the broken
And just be, just be
