

Then You Can Tell Me Goodbye

The Casinos

Kiss me each morning
For a million yearsHold me each evening

By your sideTell me you love me

For a million, a million yearsAnd then if it don't work outAnd then if it don't work outThen you can tell me

GoodbyeSweeten my coffee

With a morning kissSoften my dreams

With your sighTell me you love me

For a million, a million yearsAnd then if it don't work out

And then if it don't work out

Then you can tell me

GoodbyeIf you must go

I won't grieve

just wait a life-time before you leave

Pleasethen if you must go

I won't Tell you "no

Just so we can say that we triedTell me you love me, for a million, just a million yearsAnd then if it don't work
out

and then if it don't work out

Then you can tell me goodbye

Then you can tell me... goodbyeYou can tell me goodbye, goodbye
