Always War

Sick of It All

we're the one - we're the only
we're the best - end of story
fly the flag - feel the glory
we'll avenge past injustices
alwaysalways war - god's with the righteous. always war
always war - god's will would give them hell
always war - god's stands beside us. always war
always war - it's god's will - so give 'em hellwe're the blind - we're the nameless
give some worth - to the aimless
and always
always waralways war
don't you want revenge
always war
don't you want your god given revenge?
