She Will Never

Ebony

She Will Never â€“ Ebony

La-la-la-laâ€¦ la, la, la, la, la, la
La Ooooh
Sha la, la, la, la, la, la, la, la
Umm hm

If you think sheâ€™s loving you, much better than I couldâ€¦
Then why do you always return to me-
Telling me your sad stories about how sheâ€™s done you wrong?
But all I can say- youâ€™re not very strong.
You donâ€™t need someone to help you- make up your mind.
And if youâ€™re not certain, youâ€™re only wasting your time!

She will never be there when itâ€™s late at night, later down the line-
She will never even want to love you right, she will neverâ€¦she will never!
She will never understand the man that you are that here deeply inside
She will never want to give it a try, she will never, she will never!

But let me tell you this, right here and now
What youâ€™ve been looking for â€“ she will never give no how!
Since sheâ€™s got your ring, you say sheâ€™s been acting strange.
Now you see the real her â€“ everything has changed
I donâ€™t understand why you seem so surprised
Canâ€™t you see- both of you have been living this lie

Sha la
La la la la la la
Na na na na na na na na na
No no no no no no no no no no no no

If you think sheâ€™s loving you, much better than I couldâ€¦
Then why do you always return to me-
Telling me your sad stories about how sheâ€™s done you wrong?
But all I can say isâ€¦youâ€™re not, youâ€™re not very strong.
You donâ€™t need someone to help you- make up your mind.
But if youâ€™re not certain, youâ€™re only wasting your time!

She will never be there when itâ€™s late at night, later down the line-
She will never even want to love you right, she will neverâ€¦she will never!

She will never understand the man that you are that here deep down inside
She will never want to give it a try, she will never, she will never!

She will never be there when itâ€™s late at night, later down the line-
She will never even want to love you right, she will neverâ€¦she will never!
She will never understand the man that you are that here deeply inside
She will never want to give it a tryâ€¦
