

# Pessimistic Lines

## Bad Religion

So here we are again to experience the bitter scalding end  
And we're the only ones who can perceive it  
But others sing of beauty and the story that's unfolded  
As one that deserves praise and ritualMy pessimistic lines  
Your superstitious lives  
And the modern age's lies won't absolve you  
And the professorial truth  
And the dear clairvoyant youth  
And of course the nightly news will deceive you  
Watch outMy pessimistic lines  
Your superstitious lives  
And the modern age's lies won't absolve you  
And the professorial truth  
And the dear clairvoyant youth  
And of course the nightly news will deceive you  
Let's go
