Drivin' Me Crazy

Eddie Money

Give me a reason

For your goodbye

I'm calling it treason

I don't wanna cryI'm seeing a doctor

He's giving me pills

I eat 'em like candy

I'll send you the bill, oh yeahDrivin' me crazy

(Drivin' me crazy)

Telling me lies

(Telling me lies)

Drivin' me crazy

(Drivin' me crazy)

Too crazy to cryToo crazy to cry, oh-oh, oh-ohHow does it feel to be on

Top of the world?

You're clowning around now

You're a real funny girll hear the phone ringing

And I pick it up

It must be your brand new boy

They just hang it upDrivin' me crazy

(Drivin' me crazy)

Telling me lies

(Telling me lies)

Drivin' me crazy

(Drivin' me crazy)

Too crazy to cryHey, hey, hey

No, no, no, noAll of your life you've always

Got what you want

Then you got me and now you

You wanna move onI'm back at the doctor's

I'm getting more pills

You're trashing my life up, darlin'

I'll send you the bill, yeahDrivin' me crazy

(Drivin' me crazy)

Telling me lies

(Telling me lies)

Drivin' me crazy

(Drivin' me crazy)

I don't know whyI don't know

(Drivin' me crazy)

I don't know
(Drivin' me crazy)
I don't know
(Drivin' me crazy)
Too crazy to cry
