

# Ghost Town (Hi-Deaf Remix)

## Shiny Toy Guns

Everyone living in ghost town  
Everyone buried in waste land  
We don't want to  
We don't have to be like that  
Living in ghost townAll the boys shout it out loud now  
All the girls scream it out louder  
We don't want to  
We don't have to live like thatHold me back  
You know we're never gonna back down  
Hold me back  
You know we're never gonna back downWe're dead in this ghost town  
You better let go, so let go, let go of me  
We're dead in this ghost town  
You better let go, so let go, let go of me  
Let go, let go of me, let go, let go of meEveryone living in ghost town  
Everyone buried in waste land  
We don't want to  
We don't have to be like that  
Living in ghost townAll the boys shout it out loud now  
All the girls scream it out louder  
We don't want to  
We don't have to live like thatHold me back  
You know we're never gonna back down  
Hold me back  
You know we're never gonna back downWe're dead in this ghost town  
You better let go, so let go, let go of me  
We're dead in this ghost town  
You better let go, so let go, let go of me  
Let go, let go of me, let go, let go of meIt's getting colder, the last train is here  
And it's leaving behind those here  
These are the bad lands, the worst place to fear  
Making place for the ones we left here  
They're calling, calling to say goodbyeWe're dead in this ghost town  
You better let go, so let go, let go of me  
We're dead in this ghost town  
You better let go, so let go, let go of me  
Let go, let go of me, let go, let go of me
