

Baby I'm a Star

Lyfe Jennings

Baby I'm a star
Ain't nothin' but the heavens above me
Rollin' in my car
And these haters can't help but love meBaby I'm a star
Ain't nothin' but the heavens above me
Rollin' in my car
And these haters can't help but love meBaby I'm a star
Ain't nothin' but the heavens above me
Rollin' in my car
And these haters can't help but love meBaby I'm a star
Ain't nothin' but the heavens above me
Rollin' in my car
And these haters can't help but love meBaby I'm a star
Ain't nothin' but the heavens above me
Rollin' in my car
And these haters can't help but love meBaby I'm a star
Ain't nothin' but the heavens above me
Rollin' in my car
And these haters can't help but love meBaby I'm a star
Ain't nothin' but the heavens above me
Rollin' in my car
And these haters can't help but love meBaby I'm a star
Ain't nothin' but the heavens above me
Rollin' in my car
And these haters can't help but love meBaby I'm a star
Ain't nothin' but the heavens above me
Rollin' in my car
And these haters can't help but love meBaby I'm a star
Ain't nothin' but the heavens above me
Rollin' in my car
And these haters can't help but love meBaby I'm a star
Ain't nothin' but the heavens above me
Rollin' in my car
And these haters can't help but love me
