Dagger

The Wanted

Stay

Won't beg you to stay Go, yeah, i'll be ok Won't kill me this way

Oh, Oh

At least that's what i'll say

No, you don't have to know

The wounds that hurt me the most

Cos i'll never show

Just how deep they goThat's why i'm telling you

Everytime you have to go

I don't think you even know

It's like a dagger in my heart

Everytime you have to leave

Can't believe it cuts so deep

It's like a dagger in my heart

Dagger, Dagger, Dagger, Dagger, Dagger

It's like a dagger in my heart

Dagger, Dagger, Dagger, Dagger, Dagger

It's like a dagger in my heartStrong, I thought I was strong

These scars will heal before long

I guess I was wrong

Oh, Oh

And i'm too far gone

Try, I know I should try

To just get on with my life

But it's slipping away tonight

There's some loves you can't surviveThat's why i'm telling you

Everytime you have to go

I don't think you even know

It's like a dagger in my heart

Everytime you have to leave

Can't believe it cuts so deep

It's like a dagger in my heart

Dagger, Dagger, Dagger, Dagger, Dagger

It's like a dagger in my heart

Dagger, Dagger, Dagger, Dagger, Dagger

It's like a dagger in my heartThe last words I would say

Is there ain't anyone else

Can take this pain awayThat's why i'm telling you

Everytime you have to go

I don't think you even know

It's like a dagger in my heart

Everytime you have to leave

Can't believe it cuts so deep

It's like a dagger in my heart

Dagger, Dagger, Dagger, Dagger, Dagger

It's like a dagger in my heart

Dagger, Dagger, Dagger, Dagger, Dagger

It's like a dagger in my heartEverytime you have to go

I don't think you even know

It's like a dagger in my heart

Everytime you have to leave

Can't believe it cuts so deep

It's like a dagger in my heart
