

A Night to Remember

Cyndi Lauper

I look out my window
Into the pouring rain
I wish I could tell you
That I stopped hearin' your name And then I realize every thought of you
Runs a circle around my heart
I hear your voice haunting me
I feel your touch in the dark It was a night to remember
All your kisses I still taste
It was a night to remember
Cant forget the look on your face, oh no Starlight send a message
Like a beacon into the night
To tell you, Im lonely
When I shut out the light Because a part of me left with you
So I feel lost inside
Sometimes I look into my mirror
I see you shinin' through my eyes It was a night to remember
All your kisses, I still taste
It was a night to remember
Cant forget the look on your face Oh, it was a night to remember
All these feelings I cant erase
From my heart Endless dreams
'Round my shoulders
I cannot free this restless heart It was a night to remember
All your kisses, I still taste
It was a night to remember
Cant forget the look on your face No, it was a night to remember
Not enough time for you to stay, oh no
Oh, it was a night to remember
All your kisses, I still taste It was a night to remember
Cant forget the look on your face, oh no
