

Coffee Club (Remastered)

Spandau Ballet

Matthew didn't stay home, he went abroad instead
Journeys to glory breathing in his head
Got caught up with shoe horns but he couldn't get a shine
Matthew bought the rap and read the map without a sign
Contort yourself on disco
With a rap trap white and brown
Caught within the spinning
The key chain gang went down
No coffee club will have the rub
When product is your answer
Discuss the man, he'll break your plan
It's deep within the dancer
Wear it on your back now and summarize your vision on the train
And through the strain, your own soul decision
Well, she had a certain shimmer, she sleeps with him tonight
Stifled love decides where I'm dreaming
