Temptation Eyes

The Grass Roots

She's got something that moves my soul
And she knows I'd love to love her
But she lets me down every time
Can't make her mine she's no-one's lover
Tonight with me she'll be so inviting
I want her all for myself

Temptation eyes looking through my-my-my soul
Temptation eyes, you got to love me
Got to love me tonight

Her wild-eyed innocence is just a game
But just the same my head is spinnin'
She's got a way to keep me on her side
It's just a ride that's never ending
Tonight with me she'll be so exciting
I want her all for myself

Temptation eyes looking through my-my-my soul
Temptation eyes, you got to love me
Got to love me tonight

Tonight with me she'll be so exciting
I want her all for myself

Temptation eyes looking through my-my-my soul
Temptation eyes, you got to love me
Got to love me tonight
