

Oh Sheila (Re-Recorded)

Ready for the World

Like I always say what's good for the goose
Is always good for the gander
Oh, Sheila Oh baby, love me right
Let me love you till I get it right
Can't you let the others be
'Cause with you is where I got to be, yeah Oh sugar, where you been?
Hangin' out with your male friends
Listen, somebody's going to hurt you
The way you love to keep hurting me We say
Oh oh, Sheila
Let me love you till the morning comes
Oh oh, Sheila
You know I want to be the only one Oh baby, understand
That I want to be the only man
But it seems you're screaming too hard
Now think yourself to have an own friend Oh baby, it's plain to see
That you're qualified to fill your needs
I think you threw an oath on me
Honey, baby, just you wait and see And we say
Oh oh, Sheila
Let me love you till the morning comes
[Incomprehensible]
Oh oh, Sheila
You know I want to be the only one
For her Oh baby, it's 1 2 3
I love you, baby, honestly
I want to di a di da li
A di a di da li Oh oh, Sheila
Oh, Sheila
Oh oh, Sheila
Oh, Sheila Oh baby, love me right
Let me love you till I get it right
Can't you let the others be
'Cause with you is where I got to be, yeah Oh baby, understand
That I want to be the only man
I think you threw an oath on me
Well, hold it, baby, just you wait and see And we say, oh [Incomprehensible] Oh oh, Sheila
Let me love you till the morning comes
Oh oh, Sheila

You know I want to be the only one Oh oh, Sheila
Let me love you till the morning comes
Oh oh, Sheila
You know I want to be the only one Here we go, oh
