

Walk Away (Ralph Rosario Acappella)

Kelly Clarkson

You've got your mother and your brother
Every other undercover
Tellin' you what to say
You think I'm stupid
But the truth is
That it's cupid, baby
Lovin' you has made me this way
So before you point your finger
Get your hands off of my trigger
Oh yeah
You need to know this situation's getting old
And now the more you talk
The less I can say, oh I'm looking for attention
Not another question
Should you stay or should you go?
Well, if you don't have the answer
Why you still standin' here?
Hey, hey, hey, hey
Just walk away
Just walk away
Just walk away I waited here for you
Like a kid waiting after school
So tell me how come you never showed?
I gave you everything
And never asked for anything
And look at me
I'm all alone
So, before you start defendin'
Baby, stop all your pretendin'
I know you know I know
So what's the point in being slow?
Let's get the show on the road today
Hey I'm looking for attention
Not another question
Should you stay or should you go?
Well, if you don't have the answer
Why you still standin' here?
Hey, hey, hey, hey
Just walk away

Just walk away
Just walk away I want to love
I want a fire
To feel the burn
My desires
I want to man by my side
Not a boy who runs and hides
Are you gonna fight for me?
Die for me?
Live and breathe for me?
Do you care for me?
'Cause if you don't, then just leave I'm looking for attention
Not another question
Should you stay or should you go?
Well, if you don't have the answer
Why you still standin' here?
Hey, hey, hey, hey
Just walk away If you don't have the answer
Walk away
Just walk away
Then just leave
Yeah, yeah
Walk away
Walk away
Walk away
