

# Rock Your Face Off

## KIX

We're out to spread the news, you people in the seats

We're coming after you, gonna get ya on your feet

Don't look back, we're right behind you

You're gonna eat our dust, as we blow right by you I'm cornin' down, I'm cornin' down hard  
I've had it floored right from the start Lookout, we're gonna rock your face off and have some fun

Jump back, we're out to get ya everyone

Look out, we're gonna rock your face off

And you're gonna like it! The word is spreadin' fast, the boys from the underground

Forget about the past, movin' at the speed of sound

Rev the engines up, push the pedal down

Rollin' like thunder, from town to town I'm cornin' down, I'm cornin' down hard

I've had it floored right from the start

Lookout, we're gonna rock your face off and have some fun

Jump back, we're out to get ya everyone

Look out, we're gonna rock your face off

And you're gonna like it!
