Harvest For the World (Live In London)

Incognito

All babies together, everyone a seed
Half of us are satisfied, half of us in need
Love's bountiful in us, tarnished by our greed
When will there be a harvest for the worldA nation planted, so concerned with gain
As the seasons come and go, greater grows the pain
And far too many feelin' the strain
When will there be a harvest for the worldGather everyman, gather every woman
Celebrate your lives, give thanks for your children
Gather everyone, gather all together
Overlooking none, hopin' life gets better for the world
Dress me up for battle, when all I want is peace
Those of us who pay the price, come home with the least
Nation after nation, turning into beast
When will there be a harvest for the world
