Advisory - the following lyrics contain explicit language:

Well, at last time has come
Sundays, weekend
It's our turn and let's go
Got weary of waiting for
Let's drive at full speed
It's the thrill of the feel Get it up loud, put it into the right
Dare to cross the line
So hold on tight
Straight to the top Revvin' up
You can listen to this aggressive howlin' roar
Burnin' up
You can see fire in the night too fast for you
I'm wild at heart
Don't push me over the edge Don't hold back I can't wait
Fever's runnin' hot
Yeah, I'm nothin' but hell
I'm gonna step across the line
Gettin' through, drivin' mad
It's the thrill of the chase Follow my heart, wherever it goes
Pick myself up
Get back in it
I can make my day Revvin' up
You can listen to this aggressive howlin' roar
Burnin' up
You can see fire in the night too fast for you
I'm wild at heart
Don't push me over the edge Revvin' up
You can listen to this aggressive howlin' roar
Burnin' up
You can see fire in the night too fast for you
Revvin' up
You can listen to this aggressive howlin' roar

Burnin' up
You can see fire in the night too fast for you
I'm wild at heart
Don't push me over the edge
