

Rave On

M. Ward

Well, the little things you say and do
Make me wanna be with you
Rave on this crazy feeling, I know it's got me reeling
When you say, "I love you," I say, "Rave on" I say, "Rave on," I say, "Rave on"
My, my, my, rave on, I say, "Rave on" And the way you look when you say goodnight
The way you make up when we fight
Rave on this crazy feeling, I know it's got me reeling
When you say, "I love you," I say, "Rave on" I say, "Rave on," I say, "Rave on"
My, my, my rave on, I say, "Rave on"
I say, "Rave on," I say "Rave on"
My, my, my rave on, oh, my rave on Rave on, it's a crazy feeling
I know what's got me reeling
I'm so bad, you're revealing your love for me Rave on, oh, rave on tell me
Tell me, tell me not to be lonely
Tell me, tell me you love me only
Rave on to me, oh, rave on to me Rave on, I say, "Rave on"
My, my, my rave on, I say, "Rave on"
My, my, my rave on
