

# Lost Stars (OST ドラマ「恋愛の魔術」主題歌)

## Keira Knightley

Please don't see just a girl caught up in dreams and fantasies

Please see me reaching out for someone I can see

Take my hand, let's see where we wake up tomorrow

Best laid plans, sometimes are just a one night stand

I'd be damned, Cupid's demanding back his arrow

So let's get drunk on our tears and God, tell us the reason youth is wasted on the young

It's hunting season and this lamb is on the run

Searching for meaning

But are we all lost stars trying to light up the dark? Who are we? Just a speck of dust within the galaxy

'Woe is me' if we're not careful turns into reality

Don't you dare let all these memories bring you sorrow

Yesterday I saw a lion kiss a deer

Turn the page, maybe we'll find a brand new ending

Where we're dancing in our tears and God, tell us the reason youth is wasted on the young

It's hunting season and this lamb is on the run

We're searching for meaning

But are we all lost stars trying to light up the dark? I thought I saw you out there crying

I thought I heard you call my name

I thought I heard you out there crying

We're just the same God, tell us the reason youth is wasted on the young

It's hunting season and this lamb is on the run

We're searching for meaning

But are we all lost stars trying to light up the dark?

Are we all lost stars trying to light up the dark
