Until The Sunrise (Acoustic)

Timeflies

Its getting late but Im not tired Theres no place Id rather be The night is young I feel inspired I guess well have to wait and see This night is perfect so dont let it end Lets make it worth it cause I got a feelin' that When this is over well do it again So if you feel it stand up, you could put your hands up Lets stay up until the sunrise We can dance the night away It could be like this forever Until tomorrow is today Its getting loud were moving faster Like the beating of your heart This could be a sweet disaster Run with me into the dark, yeah This night is perfect so dont let it end Lets make it worth it cause I got a feelin' that When this is over well do it again So if you feel it stand up, you could put your hands up Theres no need for time, cause with you its standing still Only to make me feel like I do now Cause we could have it all, till nothing is left to give Like this is our last chance Cause thats the only way I live

Is like tomorrows the end and today's the day so you can save the date

And you can live it how you wanna live it

But youre gonna be givin' a whole lot of time just chasin' fate

Everythings gon' be aright, so theres no need to fear

Ima take you from the dark to the light so tonight we gonna live like we the last ones here Climbed myself from the bottom of the stars to the moon to the clouds now its back to earth And Im sayin' what I found on the way down when I touched ground is pain dont have to hurt

So baby you could let it go, cause girl were free to run

So we should live tonight and dance until we see the sun

This night is perfect, well do it again, if you feel it stand up, you could put your hands up

This night is perfect so dont let it end

Lets make it worth it cause I got a feelin' that

When this is over well do it again

So if you feel it stand up, you could put your hands up

The whole worldll say Me and you were gonna stay up until the sunrise Baby let me hear you say
