

# Feel It

## Black Eyed Peas

Can you feel it in your body-ah (can you feel it)  
Can you feel it in your body-ah (can you feel it)  
'Cause I can feel it in my body-ah (I can feel it)  
It feels good to my body-ah  
To my body, in my body-ah (can you feel it)  
Can you feel it in your body-ah (can you feel it)  
'Cause I can feel it in my body-ah (I can feel it)  
It feels good to my body-ah We gonna make y'all feel it  
Make y'all feel it  
Make y'all want to jam  
Fellas in the place just clap your hands  
Ladies in the house just grab a man  
We gonna make y'all feel it  
Make y'all feel it  
Make y'all want to move  
Ladies in the place just show 'em proof  
Fellas in the house you know what to do We gonna make y'all feel it in a special way  
A new van full of action and expose  
Ladies in the house looking ready to play  
And I'm waiting for the right one to pass my way  
And in the mean time I'm about to roll up The Hague  
We got drinks on the table, tied up our lay  
And it's time to unwind if you've had a low day  
And ladies, I got something to say Can you feel it in your body-ah (can you feel it)  
Can you feel it in your body-ah (can you feel it)  
'Cause I can feel it in my body-ah (I can feel it)  
It feels good to my body-ah  
To my body, in my body-ah (can you feel it)  
Can you feel it in your body-ah (can you feel it)  
'Cause I can feel it in my body-ah (I can feel it)  
It feels good to my body-ah We gonna make y'all feel it  
Make y'all feel it  
Make y'all want to jam  
Fellas in the place just clap your hands  
Ladies in the house just grab a man  
We gonna make y'all feel it  
Make y'all feel it  
Make y'all want to move  
Lades in the place just show 'em proof

Fellas in the house you know what to do  
Feel the vibration of the bass charm  
Put your face on the speaker, get your face blown  
Get up on the floor, get your dance on  
'Cause your backbone's connected to your ass, go on  
The ladies all dressed up high fashion (hot!)  
Dancing all sexy with passion  
Honey, if you don't mind me asking  
Can you feel all that bass in that ass, hun?  
Can you feel it in your body-ah (can you feel it)  
Can you feel it in your body-ah (can you feel it)  
'Cause I can feel it in my body-ah (I can feel it)  
It feels good to my body-ah  
To my body, in my body-ah (can you feel it)  
Can you feel it in your body-ah (can you feel it)  
'Cause I can feel it in my body-ah (I can feel it)  
It feels good to my body-ah  
This is it (this is it) gotta keep 'em moving  
Don't stop (don't stop) once you get moving  
Don't break (one break) next thing you know  
You on top (you on top) so hop to the rhythm  
That we stop (don't stop) get loose and express  
What you got (what you got) at least you gotta  
Give yourself a shot (a shot) hey never get 'em up  
And what you got?  
Can you feel the hy-why-why-type?  
I can feel the hy-why-why-type  
Can you feel the hy-why-why-type?  
I can feel the hy-why-why-type  
Can you feel it in your body-ah (can you feel it)  
Can you feel it in your body-ah (can you feel it)  
'Cause I can feel it in my body-ah (I can feel it)  
It feels good to my body-ah  
To my body, in my body-ah (can you feel it)  
Can you feel it in your body-ah (can you feel it)  
'Cause I can feel it in my body-ah (I can feel it)  
It feels good to my body-ah  
To my body, to my body-ah  
To my body, to my body-ah
