

# In My Time of Dying (Initial / Rough Mix)

## Led Zeppelin

In my time of dying, I want nobody to mourn  
All I want for you to do is take my body home  
Well, well, well, so I can die easy

Jesus, going to make up my dying bed  
Meet me, Jesus, meet me  
Meet me in the middle of the air  
If my wings should fail me, Lord  
Please meet me with another pair

Well, well, well, so I can die easy  
Jesus, going to make up  
Somebody, somebody  
Jesus going to make up  
Jesus going to make you my dying bed

Oh, Saint Peter, at the gates of heaven  
Won't you let me in  
I never did no harm  
I never did no wrong  
Oh, Gabriel, let me blow your horn. Let me blow your horn  
Oh, I never did, did no harm  
I've only been this young once  
I never thought I'd do anybody no wrong  
No, not once  
Oh, I did somebody some good  
Somebody some good  
Oh, did somebody some good  
I must have did somebody some good  
Oh, I believe I did  
I see the smiling faces  
I know I must have left some traces  
And I see them in the streets  
And I see them in the field  
And I hear them shouting under my feet  
And I know it's got to be real  
Oh, Lord, deliver me  
All the wrong I've done  
You can deliver me, Lord

I only wanted to have some fun  
Hear the angels marching, hear them marching, hear them marching  
Hear them marching, the' marching

Oh my Jesus  
Oh, don't you make it my dying, dying, dying

That's going to be the one, isn't it?  
Come have a listen, then  
Oh yes, thank you
