Merry Swiftmas

Evan Taubenfeld

Hey Santa,
I don't know if you're listening but I've been pretty good this year.
I don't know if it matters that I celebrate Chanukah, but I hope you get my wish.)Hey what do ya know it's time for Christmas
And I've been acting good all year
I never have been all that superstitious
But that don't mean I hate reindeerSo Santa, I don't know if you're listenin'
I'm not quite sure how this works
I wanna good girl for huggin' and kissin'
Not a headcase who only dates jerksI don't need more toys and shiny things
I just want a blonde who likes to singSo don't put a bow on a box
There's no need to send Megan Fox
I don't need big mansion
So let's nix Scarlett Johansson
There'll be teardrops on my guitar
If I end up with Amy Smart
So Santa for my gift, please send me Taylor SwiftOh yeahSo Santa when you come down the chimney
You can skip right past the kitchen
I'm sure youre sick of all of the cookies
So got you Fearless Platinum EditionAnd no one will mess with her when she's mine
And Kanye will watch his mouth next timeSo I'm gonna have to refuse
If in comes Penelope Cruz
If she is a bad girl, sending her back
'Cause Lindsay Lohan is wack (just like crack)
I'd rather have Jason Mraz (I'm yours)
Than be stuck with Cameron Diaz
So Santa for my gift, please send me Taylor SwiftI know her and I are gonna fit
Taylor Taubenfeld has a ring to itI'd rather be hangin' alone
Than makin' out with Emma Stone
Yeah I'd rather get a subpoena
Than kick it with Angelina
Yeah I'll probably shed a few tears
If you mess up and send Britney Spears
So Santa for my gift, please send me Taylor SwiftOh yeah..
