

Hate

Skankin' Pickle

(Hate, hate, hate, hate)
That guy he looked at me
(Hate, hate, hate, hate)
That guy is acting funny(Hate, hate, hate, hate)
That guy ain't black or white
(Hate, hate, hate, hate)
And I'll get back at him somehowWhat does it mean to hate?
Now everybody hates something true
To alleviate the hate is what I'm trying to achieve
Take time to react in a different way is what I'm trying to say now(Hate, hate, hate, hate)
That guy he looked at me
(Hate, hate, hate, hate)
That guy is acting funny(Hate, hate, hate, hate)
That guy ain't black or white
(Hate, hate, hate, hate)
And I'll get back at him somehowWhat does it mean to hate
Mr. Chinese, Japanese, Blackanese, Bonganese?
Hate is the ignorance that I don't understand
Hate is the enemy and I'm Jackie ChanI keep on thinking that I'm not wrong
I keep on thinking that I'm not wrong
I keep on thinking that I'm not wrong
And I keep talking 'bout(Hate, hate, hate, hate)
That guy he looked at me
(Hate, hate, hate, hate)
That guy is acting funny(Hate, hate, hate, hate)
That guy ain't black or white
(Hate, hate, hate, hate)
And I'll get back at him somehow(Hate, hate, hate, hate)
That guy he looked at me
(Hate, hate, hate, hate)
That guy is acting funny(Hate, hate, hate, hate)
That guy ain't black or white
(Hate, hate, hate, hate)
And I'll get back at him somehowHate, what does it do to me?
Make me go insane like Mr. Jack Le Lane
What you do, what you do? And that's not for me
I don't understand back off the sceneI keep on thinking that I'm not wrong
I keep on thinking that I'm not wrong
I keep on thinking that I'm not wrong

And I keep talking 'bout(Hate, hate, hate, hate)
That guy he looked at me
(Hate, hate, hate, hate)
That guy is acting funny(Hate, hate, hate, hate)
That guy ain't black or white
(Hate, hate, hate, hate)
And I'll get back at him somehow
