

Giving Up On Love

[Rick Astley](#)

Giving up on love
Giving up on love I was so crazy about you
Everyone knew
I couldn't sleep when I found out, yeah
You feel the way you do So maybe it's my turn now
To show you how I feel
So listen to what I say
'Cause these feelings I can't conceal I'm giving up on love
'Cos I've been hurt before
Giving up on love
And I don't want you no more Giving up on love
'Cos I've been hurt before
Giving up on love
And I don't want you no more I don't believe that you need me
So don't say you do
There ain't no reason for staying
We both know we're through So don't try and stop me now
'Cos all we had has gone
So listen to what I say
'Cos these feelings are oh so strong I'm giving up on love
'Cos I've been hurt before
Giving up on love
And I don't want you no more Giving up on love
'Cos I've been hurt before
Giving up on love
And I don't want you no more Giving up, giving up, giving up on love
Giving up, giving up, giving up on love
Giving up, giving up, giving up on love
Giving up, giving up, giving up on love So don't try and stop me now
'Cos all we had has gone
So listen to what I say
'Cos these feelings are oh so strong I'm giving up on love
'Cos I've been hurt before
Giving up on love
And I don't want you no more Giving up on love
'Cos I've been hurt before
Giving up on love
And I don't want you no more Giving up on love
'Cos I've been hurt before

Giving up on love
And I don't want you no more Giving up on love
'Cos I've been hurt before
Giving up on love
And I don't want you no more
