

Fading In C# Minor

UNA

You got me off balance
something is wrong

missed you...last night
you were gone so long

can't find your record
with your favorite song

With whom have you left yourself...
who has you right now?
You said, you'd never do this to me
you gave me your vow
but where would I look
if it's you I needed to find?

You're fading
you're fading away

Don't leave me
don't leave me
don't leave
don't go...without me

you're fading away

Don't leave me
don't leave me
don't leave
don't go...without me

don't leave, don't go, don't leave
don't go, don't leave
don't leave, don't go, don't leave

you can't go
