

Nudes (feat. Devvon Terrell)

Futuristic

Goddamn, yo' face so perfect but not plastic
There ain't not one bump on it, you must've used Proactive
Yo' lips is extra smooth, I wanna taste your chapstick
Yo' booty juicy too, you look like you do gymnastics
I wanna walk with you, where you goin'?
I wanna talk with you, what you thinkin'?
Maybe I could be your Will Smith and you could be my Jada Pinkett
Your bath water, I would drink it
Wait that's weird, I didn't mean it
I just wanna see you laugh, forget your past, and give you something with meaning
The way you lookin' in that sundress
It really wanna make me undress, you
You know? Not gonna lie, I'm into rough sex
Is that too much, oh wait, you too?
I kinda figured you would dig that
Where your kids at?
You ain't got none, yes, I don't get that
You're too young to be getting trapped
I'm tryna travel the world, now tell me baby, is you with that?
Cause I don't got no plans today
And you ain't got no plans today
So let's do something
I'm kinda hungry too
So I'ma get some food
Oh yeah, you comin'
I like the way you move, I'm an outcast
I'm not ashamed to say it, I shout it out fast
I can't lie though, I really wanna see you in your birthday suit
Tell me baby is you bout that?
Baby, you stay on my mind
We text and sex and we progressin'
Oh yeah, need you all the time
So show me show me show me
Show me them nudes
Show me all you
Don't mind if I do, girl
Break a nigga off with a pic right quick
Only if it's true
Show me all you

I wanna see you baby
I might just have to save it
Send me them nudes
Yeah, so when I'm gone, I'ma need yo' pictures in my phone
Got me in my thoughts, can't wait til I get home
You ain't gotta worry I swear I'm all alone
Look, I'm by myself, nobody would know
In my zone when I'm out here
And then I come back home you know I'm out here
And everything that I'm doing don't seem right if you ain't with me
And I know that this sound weird
But can you make that pose that I like
Can you make that face that I love
Make a nigga wanna go crazy
If you fall and then you know I'm catch you like a glove
No scrubs like TLC, we don't need ID
We in the club, all drinks on me
Know how it be, when you feel just like Ali
At 23 you can ball when you on my team
Even overseas like damn
Send me a pic, I might drop everything and say I'm on my way
I'm tryna get in that thing
It's like below your waist and in between your legs
I'll know that you'll never say, no
I just wanna keep that thing close
Send me a pic, I'ma judge it like I'm on a jury it's 'bout to be cased closedBaby, you stay on my mind
We text and sex and we progressin'
Oh yeah, need you all the time
So show me show me show me
Show me them nudes
Show me all you
Don't mind if I do, girl
Break a nigga off with a pic right quick
Only if it's true
Show me all you
I wanna see you baby
I might just have to save it
Send me them nudes
Send me them nudes
Send me them nudes
Break a nigga off with a pic right quick
Only if it's true
Show me all you
I wanna see you baby
I might just have to save it

Send me them nudes
