

Just for You

M People

I will climb the highest mountain
Just for you
Bring gold and silver to your door
Just for you
I will raise my glass up to the sky
Just for you
I will be your strength and be your pride
Be with you I'll make sweet soul music all night long
Just for you
Make you feel that you belong
Just for you
We'll take a ride in the tunnel of love
Just us two
I will scream aloud at the altar of God
I love you
Ooo hu, ooo hu Just for you I'll wash you down
Cleanse your soul and be around
Hold your hand and lead the way
Be with you all through your day
Just for you I'll sacrifice everything in my life
I will give all this to you dedicate my self to you Just for you, just for you, just for you, yeah
(You, you, just for you)
Just for you, just for you, just for you, yeah
(You, you, just for you)
Just for you, just for you, just for you, yeah
(You, you, just for you)
Just for you, just for you, just for you
(You, you, just for you) Doo doo doo, doo doo doo doo
Doo doo doo, doo doo doo doo I'll terrorize, publicize, capitalize, mesmerize
Idolize, wave goodbyes to all the things you despise
Just for you
Just for you Just for you I'll wash you down
Cleanse your soul and be around
Hold your hand and lead the way
Be with you all through your day
Just for you I'll sacrifice everything in my life
I will give all this to you dedicate my self to you Just for you, just for you, just for you, yeah
(You, you, just for you)
Just for you, just for you, just for you, yeah

(You, you, just for you)
Just for you, just for you, just for you, yeah
(You, you, just for you)
Just for you, just for you, just for you
(You, you, just for you)I'll climb the highest mountain
And I will never stop
I'll climb the highest mountain
Until I reach the topI'm gonna climb that mountain
(Highest mountain)
I'm gonna reach the top
(Never stop)
And I will not stop
(Highest mountain)
(Never stop)
Higher and higher and higher
(Highest mountain, reach the top)Just for you
(Highest mountain)
(Reach the top)
Just for you
