

# Too Good to Be True

## Tom Petty & The Heartbreakers

Her imagination ran wild  
Could this really happen to me?  
She could barely hold back the tearsIt was too good to be true  
It was too good to be true  
It was too good to be trueEverything that she'd waited for  
Everything that she'd dared to dream  
Suddenly was outside her doorIt was too good to be true  
It was too good to be true  
It was too good to be trueThere was no talk of giving in  
And just as hope was wearing thin  
Her eyes were like a child againToo good to be trueMorning on the outskirts of town  
Sitting in the traffic alone  
You don't know what it means to be freeAnd it was too good to be true  
It was too good to be true  
It was too good to be true  
Too good to be true
