

# Stockholm Syndrome

## One Direction

Who's that shadow holding me hostage?  
I've been here for days  
Who's this whisper telling me that I'm never gonna get away? I know they'll be coming to find me soon  
But I feel I'm getting used to  
Being held by you Oh  
Baby, look what you've done to me  
Oh  
Baby, look what you've done now  
Oh  
Baby, I'll never leave if you keep holding me this way, oh o-oh  
Oh  
Baby, look what you've done to me  
Oh  
Baby, you've got me tied down  
Oh  
Baby, I'll never leave if you keep holding me this way, oh o-oh Who's this man that's holding your hand  
And talking about your eyes?  
Used to sing about being free but now he's changed his mind I know they'll be coming to find me soon  
But my Stockholm syndrome is in your room  
Yeah, I fell for you! Oh  
Baby, look what you've done to me  
Oh  
Baby, look what you've done now  
Oh  
Baby, I'll never leave if you keep holding me this way, oh o-oh  
Oh  
Baby, look what you've done to me  
Oh  
Baby, you've got me tied down  
Oh  
Baby, I'll never leave if you keep holding me this way, oh o-oh All my life I've been on my own  
I use a light to guide me home  
But now together we're alone  
And there's no other place I'd ever wanna go Baby, look what you've done Oh  
Baby, look what you've done to me  
Oh  
Baby, look what you've done now  
Oh  
Baby, I'll never leave if you keep holding me this way, oh o-oh

Oh  
Baby, look what you've done to me  
Oh  
Baby, you've got me tied down  
Oh  
Baby, I'll never leave if you keep holding me this way, oh o-oh  
Oh  
Oh  
Baby look what you've done  
Oh  
Baby look what you've done to me  
Baby look what you've done to me
