

Drift

Hands Like Houses

Wandering, weightless
I'm empty, I'm faded
Stumbling, nameless
I'm falling, failing, faithless...If I say a prayer for someone
Who'll say a prayer for me
When I ask myself, if the life I lead's the price I have to pay?
If I gave away the ending
Who'd save the day for me
When I ask myself, if the life I lead's the price I have to pay?Freezing, frameless
I'm tempting fate with
Saying nothing
I won't fade away to nothing
If I say a prayer for someone
Who'll say a prayer for me
When I ask myself, if the life I lead's the price I have to pay?
If I gave away the ending
Who'd save the day for me
When I ask myself, if the life I lead's the price I have to pay?I'm wandering, I'm weightless
I'm failing, I'm faithless
Descending to madness...
I'm taken for granted
I'm wondering and worthless
Deserving, deserted
Defeated, defended...
Forgive me
Forget it
If I say a prayer for someone
Who'll say a prayer for me
When I ask myself, if the life I lead's the price I have to pay?
If I gave away the ending
Who'd save the day for me
When I ask myself, if the life I lead's the price I have to pay?
