

# My Kind

Kim Sozzi

What am I, a liar?  
Wanna play your game  
You think I'm crazy  
I just wanna complain  
You know, you know, you know  
You know you're killin' me  
Didn't wanna say it but you got no shame  
You say you can't remember feeling this way  
I know you know  
You know I know  
You lied to me  
'Cause I know you don't wanna be my kind  
I know you don't wanna be my style  
I know you don't wanna be my kind  
And I know, you just don't wanna be my style  
What if you were to be yourself for just one day  
You run into people you used to see  
I know, I know  
You know I know  
It's killing you  
I'd like to think that you could see one day  
I never fall into the game you play  
You know, you know, you know  
You know I lied to you  
'Cause I know you don't wanna be my kind  
I know you don't want to be my style  
I know you don't wanna be my kind  
And I know that you don't want to be my style  
High on smoke and still you wanna go  
To the downtown bar to get another charge  
From a man who pours a poison for your fate  
I'm beggin' you please  
Could you try it my way  
Could you talk to me like it used to be  
The scene is pumping oil into your face  
'Cause I know you don't wanna be my kind  
I know you don't wanna be my style  
I know you don't wanna be my kind  
And I know that you don't wanna be my style
