

Ominous Cloud

Belle and Sebastian

Oh let me sail away
On the beach and on the earth
The boats on the sea are blissfully free
They will come to no harm
'Cause the waves are so calm Oh let me think a while
To the playground of your smile
The wind through the flame
Whistles your name
Though you said goodbye
You did not leave my mind Oh I've got to get away
From this town don't want to face
The ominous clouds But not now I've got to find a place
Be myself and learn to face
The ominous clouds But not now I want to sail away
Want to look back on the day
And hide with my hand
What's left of the land
Though I leave it behind
It will not leave my mind Oh I've got to get away
From this town don't want to face
The ominous clouds Oh not now I've got to find a place
Be myself and learn to face
The ominous clouds But not now
