

Mystery Train

Krissy Matthews

Train arrive sixteen coaches long

Train arrive sixteen coaches long

Well that long black train drop my baby and goneTrain train coming right round the bend

Train train coming right round the bend

Well it took my baby but it never will againTrain train come on down this line

Train train rolling on down the line

Well it's bringing my baby 'cause she's mine oh mine

Mine oh mine, mine oh mineTrain train coming round this bend

Train train coming right round the bend

Well it took my baby but it never will again

Never again no, no, no never again
