

Tennessee Sucks

[Ryan Adams](#)

Advisory - the following lyrics contain explicit language:

There you go
Waving your arms like a girl
Secondary clothes
Don't worry, nobody knows
Somebody order my round
'Cause I'm getting by
With a twelve pack from 12th and Porter with Billy
4:30 A.M. at night
'Cause Tennessee sucks, in the summer
What do you got that can put us under?
There goes Johnny B
Weird and tall
He says "The band, they've got good songs
They just don't draw"
Somebody ordered my round
Chances are I won't pay
Hey Brad, let's go down to the boundary
Get something blue to put us out of our way
'Cause Tennessee sucks, in the summer
What do you got that can put us under?
