

# Convinced

Jake Hamilton

For I am convinced that when I pray

You hear me

For I am convinced that when I sing

You're near me

For I am convinced that when I pray

You hear me

For I am convinced that when I sing

You're near me

And I believe

History belongs to those who pray

History belongs to those who pray

History belongs to those who pray

History belongs to those who pray

So, I'm gonna pray 'till Jesus comes

I'm gonna pray 'till Jesus comes

I'm gonna pray 'till Jesus comes

I'm gonna pray 'till Jesus comes

I'm gonna pray 'till Jesus comes

I'm gonna pray 'till Jesus comes

I'm gonna pray 'till Jesus comes

I'm gonna pray

You are my rock, my sword, my shield

You are the only hand that heals

You are the Lily of the Valley

The bright and Morning Star

Shine, shine

You are the precious Lamb of God

You are the First and Last of All

I don't care what they say

They're gonna hear me pray

I'm gonna pray 'till Jesus comes (x7)

I'm gonna pray

You are my rock, my sword, my shield

You are the only hand that heals

You are the Lily of the Valley

The bright and Morning Star  
Shine, shine  
You are the precious Lamb of God  
You are the First and Last of All  
I don't care what they say  
They're gonna hear me pray

I'm gonna pray 'till Jesus comes (x7)  
I'm gonna pray

I'm gonna pray, I'm gonna pray(x7)

In every congregation  
In every denomination  
In every church across the nation  
Let Your glory fall (x4)

Let Your glory fall (x15)
