

# Legs (Remastered)

## ZZ Top

She's got legs, she knows how to use them  
She never begs, she knows how to choose them  
She's holdin' legs, wonderin' how to feel them  
Would you get behind them if you could only find them? She's my baby, she's my baby  
Yeah, it's alright, oh yeah She's got hair down to her fanny  
She's kinda jet set, try undo her panties  
Every time she's dancin' she knows what to do  
Everybody wants to see, to see if she can use it She's so fine, she's all mine  
Girl, you got it right She's got legs, she knows how to use them  
She never begs, she knows how to choose them  
She's got a dime, all of the time  
Stays out at night, movin' through time Oh, I want her, sure, I got to have her  
The girl is alright, she's alright
