Boy In A Rock And Roll Band

The Pierces

La da da da da da da da da dum
La da da da da da dum
La da da da da da da da da dum
La da da da da da dum
How deep is your ocean?
How high is your sky?
I love to put our love into motion
But I have to ask myself why
(Why)
I can't tell you how to live your life
But I know how to live mine
I take home pretty things that I like
And baby, you are so fine
Yeah, I could give you everything you need
With just one touch of my hand
But I swore I would never fall in love
With a boy in a rock and roll band
Why do I adore you?
We've only just met
I feel I would do anything for you
But baby, sometimes I forget
That I can't tell you how to live your life
But I know how to live mine
I take home pretty things that I like
And baby, you are so fine
Yeah, I could give you everything you need
With just one touch of my hand
But I swore I would never fall in love

With a boy in a rock and roll band
Well, I forget I'm a lady
I've had too much wine
I'd love it if you would call me your baby
'Cause baby, you are so fine
Yeah, I can't tell you how to live your life
But I know how to live mine
I take home pretty things that I like
And baby, you are so fine
Yeah, I could give you everything you need

With just one touch of my hand
But I swore I would never fall in love
With a boy in a rock and roll band
La da da da da da da da da dum
La da da da da da dum
La da da da da da da da da dum
La da da da da da dum
La da da da da da da da da dum
La da da da da da dum
How deep is your ocean?
How high is your sky?
I love to put our love into motion
But I have to ask myself why
La da da da da da da da da dum
La da da da da da dum
