

# Celebration

## Madonna

I think you wanna come over  
Yeah, I heard it through the grapevine  
Are you drunk? Are you sober?  
Think about it, doesn't matter  
And if it makes you feel good, then I say do it  
I don't know what you're waiting for Feel my temperature rising  
It's too much heat, I'm gonna lose control  
Do you want to go higher? Get closer to the fire  
I don't know what you're waiting for I'm gonna party, yeah  
'Cause anybody just won't do  
Let's get this started, yeah  
'Cause everybody wants to party with you Boy, you got a reputation but you're gonna have to prove it  
I see a little hesitation, am I gonna have to show you  
That if it feels right, get on your mark  
Step to the beat boy, that's what it's for Put your arms around me  
When it gets too hot we can go outside  
But for now just come here, let me whisper in your ear  
An invitation to the dance of life I'm gonna party, it's a celebration  
'Cause anybody just won't do  
Let's get this started, no more hesitation  
'Cause everybody wants to party with you Haven't I seen you somewhere before?  
You look familiar, you wanna dance?  
Yeah, I guess I just don't recognize you with your clothes on  
What are you waiting for? I'm gonna party, it's a celebration  
'Cause anybody just won't do  
Let's get this started, no more hesitation  
'Cause everybody wants to party with you I'm gonna party, it's a celebration  
'Cause anybody just won't do  
Let's get this started, no more hesitation  
'Cause everybody wants to party with you Boy, you got it, it's a celebration  
'Cause anybody just won't do  
Let's get it started, no more hesitation  
'Cause everybody wants to party with you Boy, you got it  
'Cause anybody just won't do  
Let's get it started, no more hesitation  
'Cause everybody wants to party with you
