

Uptown

Roy Orbison

Uptown, in penthouse number three
Uptown, there lives a doll just made for me
Shes the finest thing of that
Youve ever seen, oh ho haUptown, I see her most every day
Uptown, but she never ever looks my way
Im just a bellhop, you see I cant stop
And tell her what I wanna sayThat one of these days, Im gonna have money
Shell wanna be my ever-lovin honey
It wont be long just wait and see
Ill have a big car, fine clothes and then Ill beUptown, in penthouse number three
Uptown, just my baby and meYeah, one of these days, Im gonna have money
Shell wanna be my ever-lovin honey
It wont be long, just wait and see
Ill have a big car, fine clothes and then Ill beUptown, in penthouse number three
Uptown, just my baby and me
