

# Flashing Lights (Director's Cut) [feat. Dwele]

Kanye West

Flashing lights (lights, lights, lights)  
Flashing lights (lights, lights, lights)  
Flashing lights (lights, lights, lights)  
Flashing lights (lights, lights) She don't believe in shooting stars  
But she believe in shoes & cars  
Wood floors in the new apartment  
Couture from the store's department  
You more like L'eau de Stardee shit  
I'm more of the, trips to Florida  
Order the h'orderves, views of the water  
Straight from the page of your favorite author  
And the weather so breezy  
Man why can't life always be this easy  
She in the mirror dancing so sleazy  
I get a call like "Where are you Yeezy?"  
And try to hit you with a 'Oeur de Whopee'  
Till I get flashed by the paparazzi  
Damn, these nigga's got me  
I hate these nigga's more than a Nazi As I recall, I know you love to show off  
But I never thought that you would take it this far What do I know?  
Flashing lights (lights, lights, lights) What do I know?  
Flashing lights (lights, lights, lights)  
I know it's been a while  
Sweetheart, we hardly talk, I was doing my thing  
I know I was foul bay-bay  
A-bay lately you been all on my brain  
And if somebody would've told me a month ago  
Fronting though, yo I wouldn't wanna know  
If somebody would've told me a year ago  
It'd go, get this difficult  
Feeling like Katrina with no femur  
Like Martin with no Gina  
Like a flight with no Visa  
First class with the seat back I still see ya  
In my past, you on the other side of the glass  
Of my memory's museum I'm just saying, hey Mona Lisa  
Come home you know you can't roam without Caesar  
As I recall, I know you love to show off But I never thought that you would take it this far  
What do I know?

Flashing lights (lights, lights, lights)

What do I know?

Flashing lights (lights, lights, lights)

As you recall, you know I love to show off

But you never thought that I would take it this far

What do you know?

Flashing lights (lights, lights, lights)

What do you know?

Flashing lights (lights, lights, lights)

Flashing lights (lights, lights, lights)

Flashing lights
