

# Just One of Those Things

## Frank Sinatra; Red Norvo Quintet

I'am sorry to say i didn't know her name  
The fact the last 6 hours are a haze  
Piecing together the fragments of a frame  
why my motorskills are out of phase  
I feel like i've woken in a maze  
Though we've never met before  
baby i am sure  
It was just one of those things  
Just one of those crazy flings  
One of those bells that now and then rings  
It was one of those things  
It was just one of those nights  
Just one of those fabulous flights  
A trip to the moon on gossamer wings  
It was one of those things  
If we'd thought a bit about the end of it

When we started painting the town  
We'd have been aware that our love affair  
Was too hot not to cool down  
So good-bye,good-bye and amen  
Here's hopin' we'll meet now and then  
It was great fun  
But it was just one of those things(one of those things)

Solo.

Yeah--ahh,

If we'd thought a bit 'bout the end of it  
When we started painting the town  
We'd have been aware that this love affair  
Was too hot not to cool down  
So good-bye,good-bye and amen  
Here's hopin' we'll meet now and then  
It was great fun  
But it was just one of those things
