

Thankful

[Josh Groban](#)

Some days we forget to look around us
Some days we can't see the joy that surrounds us
So caught up inside ourselves
We take when we should give
So for tonight we pray for
What we know can be
And on this day we hope for
What we still can't see
It's up to us to be the change
And even though we all can still do more
There's so much to be thankful for
Look beyond ourselves, there's so much sorrow
It's way too late to say, 'I'll cry tomorrow'
Each of us must find our truth
We're so long overdue
So for tonight we pray for
What we know can be

And every day we hope for
What we still can't see
It's up to us to be the change
And even though we all can still do more
There's so much to be thankful for
Even with our differences
There is a place we're all connected
Each of us can find each others love
So for tonight we pray for
What we know can be
And on this day we hope for
What we still can't see
It's up to us to be the change
And even though this world needs so much more
There's so much to be thankful for
