

Come a Little Closer

[Dierks Bentley](#)

Come a little closer baby
I feel like layi'n you down
On a bed of sweet surrender
Where we can work it all out
There ain't nothin' that love can't fix
Girl it's right here at our fingertips
So come a little closer baby
I feel like layin' you down Come a little closer baby
I feel like lettin' go
Of everything that stands between us
And the love we used to know
I want to touch you like a cleansin' rain
And let it wash all the hurt away
So come a little closer baby
I feel like lettin' go If there's still a chance then take my hand
And we'll steal away
Off into the night 'til we make things right
The sun's gonna rise on a better day Come a little closer baby
I feel like strippin' it down
Back to the basics of you and me
And what makes the world go 'round
Every inch of you against my skin
I want to be stronger than we've ever been
So come a little closer baby
I feel like strippin' it down
