Hoe ass niggas, hoe ass nigga

Ooh, yeah

Hoe ass niggas, hoe ass niggasJust travelling around town, trying to make my rounds

I came across these hoe ass niggas, hoe ass niggas

Was doing pretty fine, one day at a time

Until I saw you hoe ass niggas, hoe ass niggasGet the fuck out, get the fuck out around me

Hoe ass niggas, hoe ass nigga

Ooh

Get the fuck out, get the fuck out from around me

Hoe ass niggas, hoe ass niggasI'll never be the same, got me fucked up in the game

Thanks to all you hoe ass niggas, hoe ass niggas

Give a fuck about your job, give a fuck about your blog

You'll always be a hoe ass nigga, hoe ass nigga

Awe, yes, now, you may be unaware but

Even at this moment you could be standing next to a hoe ass niggaNow, no, don't be alarmed

This is a very serious moment

I need everyone to close their eyes, all eyes closed, all heads bowed

Now if I'm talking to you hoe ass niggas

I need you to raise your hands and come to the front

You sir I see you, hoe ass nigga in the back I see you, come to the front

Nobody looking now, come to the front

You sir, to the left, hoe ass nigga to the left come up

Actually, stay there

Deacon, go ahead and pray for him

Lay hands on him actually (come here you bitch ass nigga)

Lay hands

Better you than me

All hoe ass niggas in the building

I need you to come forth we're gonna pray for you right now, oohGet the fuck, get the fuck around from around  
me

Hoe ass nigga, hoe ass niggaYou know what?

You know what?

I ain't even mad at you

Because you a hoe

I knew you was a hoe when you moved up here
